

WARRANTY CONDITIONS

The warranty will be 12 (twelve) months, starting from the date of goods delivery and it will be subject to the following conditions:

- Any defect of the goods must previously be notified to CANGINIBENNE Srl and, in case, suitably documented with full particulars of the defect and photographic evidence. The defective product will be returned to CANGINIBENNE Srl, which, after examination, will consider it as “good by repair” or “replacement”.
- In any case, transport will be charged to the customer who can directly return the goods to CANGINIBENNE Srl or agree with it the goods collection .
- The warranty does not cover damages attributable to improper use or the non-compliance with the specifications contained in the “OPERATION AND MAINTENANCE” manual supplied with the product. Additionally, it does not cover damages due to normal wear and tear.
- The warranty does not cover machine-bucket combinations not recommended by CANGINIBENNE Srl (see bucket class identification) which the customer decides to use.
- The warranty stop to have effect if the customer makes repair works and/or modifications without prior written permission from CANGINIBENNE Srl
- For the warranty validity, the only effective document is the “conformity declaration” accompanying the goods. Therefore, this certificate shall be kept with care and exhibited by the customer upon request.
- Any exception to the clauses of this warranty shall previously be authorized by CANGINIBENNE Srl in writing.
- Any dispute arising from or in connection with this warranty is governed by the laws of Italian Republic. Sole competent court will be the Court of Forlì.
